Hi Tom,
Great thanks for such a
great year book. You did
a good job. It's been real nice
knowing you and having as my

care of yourself and remember
me when you are old & gray.
Love,
Tommy

DR. HANFORD RANTS
1968-1981

Dr. Hanford Rants, Gahr High School Principal for the last thirteen years, announced his retirement to a dismayed campus in January. Serving thirty-two years as teacher, counselor, assistant principal and ultimately principal, Dr. Rants was an exceptionally well-loved administrator. Our principal was a highly principled man. He made himself visible and available to those who needed him. Because he had been a parent, he understood and had affection for the younger generation and emphasized their positive characteristics and their promise for the future. We thank him for being our "someone" to learn from morally, physically and educationally — someone we felt privileged to know.

1. "By caring for other people and their problems you can bring out the best in them and yourself." *Dr. Rants*
2. "I've given awards at everything. But when our kids were getting awards — just imagine the impact! It was the highest of times to be involved, not only officially, but as a father too." *Dr. Rants*
3. Complying with district policy, valuable administrators, Nancy Krause and Ruth Rabenberg accept reassignment to rival schools. They are the final constituents of a magic administrative combination which included Mara Clisby and Don Duran.
4. "The determination to work hard to earn success is the only way to achieve it." *Dr. Rants*
5. "I love to jog for two reasons: physical fitness and being out with the kids to encourage their fitness . . . but mostly I just like to be with them." *Dr. Rants*

TOGETHER

The Cerritos College stadium was filled with tense and exciting moments awaiting the beginning of the game and Homecoming ceremonies. As is customary, princesses were chauffeured to the game in the annual Homecoming Parade. Our Grand Marshall for this year was *George Takei*, better known as "Mr. Sulu" of Star Trek series. Royalties were revealed at half-time ceremonies. Princesses were announced, when

suddenly lights were dimmed and the name of the 1980-81 Homecoming Queen winner was displayed in fireworks. The crowd cheered for *Jackie Smith* as, *Linda Moshier*, the reigning queen, relinquished her crown to the new belle of Gahr High School. Although we lost to Downey 22-6, Gladiators combined spirit, determination and pride to make Homecoming a thoroughly entertaining event.

1. *Michelle Komrij* and *Melanie Gaspard* find the 7-Up and Banana eating contest amusing.
2. *Mrs. Callard* congratulates Princess *Vicki Davis*.
3. The dress code was semi-formal but several couples out did themselves.
4. The evenings music was performed by the band *Surge*.

THE START OF A NEW YEAR!

The start of a new year was like all others, but in its own way different. Meeting new faces and also seeing the change of old friends created excitement for all students. For incoming Freshmen it was an experience to adjust to the bustling lines, large crowds, new classes, and new teachers. With the year underway, everyone began to experience the GAHR Spirit!

1. 1981 Senior greetings.

On September 12, 1980 the Annual Staff proudly presented GAHR LIVE. The General Cabinet organized the activities for the day. In store for the students and alumni of Gahr were a free barbecue and live rock band. Signing annuals and meeting old friends made the time pass quickly before the pre-season football game. The new school year got off to a great start with the Annual Signing Party.

PASSING THE TIME

The many activities that Gahr had kept the students and teachers busy. Cultural experiences and P.E. activities such as archery, helped to make class time really interesting. Bands and special occasion activities made lunch taste better while it made the day go by faster. After-school events put on by clubs and classes helped to make money and got the students involved. Everyone who participated in the year's events enjoyed themselves.

1. *Cathy Carter and Lisa Sonza* are rolling for money.
2. *Mr. Blahnik's* birthday was made special by thoughtful students with a birthday cake.

DANCES

There was a wide variety of dances this year. The dances ranged from punk rock to disco, and from formal to casual. Being with friends, sharing quiet moments, laughing and of course, dancing, made all the dances special. They were all fun and interesting and were good ways to make new friends.

SENIOR HIGHLIGHTS

The senior's hat day, barbeque, and century day helped the final countdown of days until the long awaited graduation. They shared many memories together while watching slides of their crazy adventures and dancing afternoon away. They took lots of pictures and ate a lot of food, all the smiles on their faces show the good time that they had. Food and friendship were everywhere on these happy occasions.

SENIOR MADNESS

The crazy side of Seniors showed when they put on their own show, Senior Madness. The dancers put on their dancing shoes to strut their stuff! Muscle-men showed us their strength, while the next generation's actors and actresses gave us a preview of what there is ahead of us and a college group showed a better way to brush teeth! The hosts kept the audience smiling, delighting them with crazy and weird antics. Mr. Misner, the class adviser, did a terrific job helping the seniors put the show together.

CARNIVAL CAPERS

Good times, laughs and hard work describe the 1981 Gahr Band-sponsored Carnival. Everyone had a great time producing one of the best activities of the year. There was good food such as Won Tons-Asian Club, Hamburgers-CSF, Chili-Cadets, and last but not least the soup booth by the ASB Cabinet. Spending money at such booths as the Drill Team Dunking Booth, Dime Pitch, Goldfish Toss, and the Jingle Board proved to be entertaining. Also one could experience rides such as the Rock-O-Plane, Scrambler, Hammer, and Umbrella Ride. Soon Gahr students found the successful Carnival coming to a close with empty pockets and minds full of memories.

1. *Jim Wray* returns to Gahr to toss his money away at the Faculty Dime Pitch Booth.
2. A bird's eye view of the Carnival.
3. *Mary Garcia* and *Clinton Wilhoite* keep on smiling.

They were supported by *Amanda Sawires*, *Lisa Sonza*, *Marcia Bodon*, and *Mike "Snake" Caldare* who were all totally inexperienced actors. *THE HARRISON BERGERON AFFAIR*, a short story by *Kurt Vonnegut Jr.*, adapted to the stage by *Mr. Misner*, *September Gaw* and *Mark Wiggins* danced out roles which conveyed the idea that we need excellence in our society. The two dancers were supported by *David Watkins* and *Marcia Bodon* as parents, *Amanda Sawires* as a fantastic law lady and *Wendy Hammie* as a lovely robot. Great fun was found by all.

GAHR TALENT SHINES

The Drama Department chalked up one more success at the end of another terrific talent show. All acts were self-inspired and fit together to make the 10th annual amateur extravaganza a big hit. *Anita Shreve*, *Lisa Sonnaz*, and *Dana Anderson* emceed talents such as *Lea Castillo* playing Dorothy from "The Wiz" and *Angel Lemus* serenading the audience to "Moonlight Sonata." Auditions were open to all students, revealing much hidden talent. Once the acts were polished, these gifted people really enjoyed performing and, who knows? This just might have been the stepping stone to a career of stardom.

The Junior Class Cabinet successfully pulled off Gahr's first real concert, *Super Jam I*. *Secret Sity*, *Metro Hotel*, and *Sinbad* attracted 1800 people from all over. To quote some of the people who were there; *Gus Ohm* said "the concert was super, exciting, and great!" *Jesse Garcia* said, "Secret Sity was excellent." *Chris Pitt* expressed the fact that all the guys that were there made her night. The idea behind *Super Jam I* was to cut down Prom costs, and the cabinet reported to have raised a large sum of money. The only problem *Mr. Blahnik* said was "assuring the administration that it would run well." *Super Jam I* did run well and was enjoyed by everyone.

On May 7, 1981 students, parents and teachers gathered in the Gahr gym to witness one of the funniest and craziest events of the year — Donkey Basketball. Fourteen courageous Faculty members and sixteen spirited Seniors got together to earn money for Senior scholarships, and of course, they had fun in the process. Seniors and teachers were slipping off donkeys and bouncing around as they tried to score winning points. It was a close game but all the more exciting. Seniors triumphantly defeated the Faculty, and the final score was Seniors-42, Faculty-40.

The Junior-Senior 1981 Prom began as most other special occasions do, with the guests, looking their best, slowly arriving. The excitement in the air caused everyone to hold their breath and wait for the fun to start. The dance floor was almost empty at first, then more and more people glided to the floor. The slow dances caused everyone to crowd onto the dance floor with its gentle swaying tune. Everyone talked with friends, admiring each other's attire. The night lapsed into a dream-like reality that seemed to be a blur of smiles, dances and just plain fun! Then, the night was over, and everyone realized the Prom theme "First Time . . . Best of Times" was perfect!

. . . BEST OF TIMES.

Seeing is Believing

It started as an architectural concept in 1965 and seven years later joint committees were meeting establishing budgets and receiving bids for a gym addition and stadium to be used by district schools and community groups. The redevelopment monies to be used for the stadium specified that they be allocated to an area between Pioneer Blvd. and the San Gabriel Riverbed which made Gahr campus a prime location. The first meeting on a school level was held in September 1976 at which time teachers determined priorities of what should be included in the structures. Throughout the decade the city and the ABC School Board were involved in meeting after meeting during which many impasses arose resulting in the ups and downs of emotional expectations, postponements and the general feeling of "we'll believe it when we see it!" Finally the long awaited construction began in September of 1980. Little did we realize the many hardships involved in living around a year of construction.

A Lasting Tribute

On February 2, 1981, Gahr parents, students and members of the community marched to the ABC District Office to demonstrate to the school board that they were in support of naming the soon to completed district stadium after *Dr. Rants*. The march culminated the soliciting of more than 700 individual letters stating why the student-parent community favored such a selection. Entirely student-initiated and organized, Seniors *Bob Meyerson*, *Mitch Vanderlaske* and *Laura Heins* were commended for their leadership, which made the march a restrained, orderly and moving tribute in itself.

The decision was announced on February 23. The newest structure in the Cerritos area was to be known as the **HANFORD RANTS STADIUM**; a lasting tribute to a loving man who has given, without measure, to thousands of students during his years in education.

Graduation night of the Class of Nineteen Hundred Eighty One was the highlight as well as the end of the high school life for all the Seniors graduating. The ceremony was full of memories, laughter and tears. The student speakers shared the many trials and tribulations the Class of '81 had encountered. *Dr. Rants* who also graduated with the Class to move on to new plateaus, expressed his love and appreciation toward the graduates as well as parents and the community. The whole night was filled with pride and honor to be remembered "Forever."

It was a great opportunity for all Seniors and their dates to enjoy an assortment of top-name entertainment like Tierra and Kool and the Gang. The unlimited use of rides made the night run smoothly. Everyone agreed to the fact that "Grad Nite" was a great way to end 12 years of hard work.

The 1980-1981 Varsity football team, competing in the San Gabriel Vally League, finished a disappointing tie with Downey for fourth place. A strong beginning was the key to the Gladiators defeating six tough teams including Lynwood and Canyon. After the six wins Gahr was rated number one in the C.I.F. Southern Section. In past years successive wins unfortunately have come to an end for Gahr's football team. Losing to their next three opponents by margins of a touchdown or more, knocked them out of the C.I.F. ratings. In the end Gahr came back to thrash their cross-town rival Cerritos 42-8. Led by running back *Roy Lewis* and Quarterback *Anton Limque*, the varsity squad finished with a seven and three won-lost record and was ranked 10th in the C.I.F. ratings. The team was well instructed and coached by *Art Armijo*, *Chris Conlin*, *Mark Chandler*, *John Klein*, *Darrell Walsh*, and head coach *Pete Nicklas*.

With an explosive offense and immovable defense, our J.V. team became the first football team in Gahr's history to have an unbeaten season. They finished with a 9-0-1 record and with El Rancho became co-champs of the SGVL League. The team set a school record with 22 interceptions and *Kevin Ahuna* led the way with 8 of them. With this type of awesome teamwork the J.V. team rolled over their opponents, with slight stall coming from El Rancho when they tied 7-7. "To do such devastating work a team must perform well together and have good coaching," stated coach *Chris Conlin*, "and this team improved more than any other team I've ever coached. The word 'team' is exactly the way I would describe these boys."

STRONG FINISH FOR GAHR

Gahr's Varsity Cross-Country Team finished a respectable third in the tough SGVL and qualified for CIF. In fact, Gahr has been in CIF competition for a remarkable fifteen of the last sixteen years. This squad, led by senior *Mark Hacke* and junior *Kennie Arriola*, was characterized by *Coach Edwards* as "being a small but very close and caring team." With most of the squad eligible to return to action next year, Gahr's hope of their sixteenth CIF qualification is within reach.

"This team was a group of boys who were willing to give their all for the team; everyone cared." Gahr established themselves as a team with Most Valuable Player, *Kerry Knight* and sophomore *Bill Mocnik* serving as inspirational leaders. With many of these boys moving up to varsity next year, the JV team will be forced to recruit newer and younger runners.

This year's squad sent five young men to the league finals. Seniors *Richie Avila*, *Rod Okimoto*, *Danny Salcido*, and Junior *Mike Longshaw* all took first place and Junior *Bill Reutter* captured second place. Southern Section Finals. Senior *Rod Okimoto* will be wrestling in New Zealand and Australia over the summer. Junior *Mike Longshaw* will be wrestling in Holland this summer also. This kind of season will be hard to match no doubt, but the "Gahr Grapplers" will rise to the occasion.

LEAGUE COMPETITION PROVES TOUGH

The Varsity Baseball Team, led by *Coach Bergeron* was filled with many talented players. They had a good season, 9-5, 2nd place in league, 17-10 overall, especially considering they had a young team of mostly Sophomores and Juniors. The Gladiators were strong in the field and the outfield and had fine batsmen. Co-Captain *Shane Mack*, and teammate *Ed Tafoya* batted .483 and .403 for the season. An experience of learning and an abundance of talent made this year's Varsity team the best.

GIRLS SPORTS

The Varsity Basketball Team had an outstanding season. By taking first place in their division, they earned a trip to the CIF play-offs. With their two leading players, who also captained the team, *Michelle McCoy* and *Toni Eldridge*, the rest of the team went to work in the CIF play-offs. Winning every team they met, they gradually worked their way to the finals. There they met defending champs, Alta Loma, the team they lost to in the finals last year. But times were different as the Gladiators rolled over the final obstacle that stood in their way of the CIF Championship. "This was one of the most satisfying teams I have ever coached. I had great feelings towards this team since the beginning," said *Coach Pryor*. The other factors in the team's success was a great team effort, great team improvements, and great leadership.

MADRIGALS

The Madrigal Singers were Gahr High School's official choral group. However, the hard work of several students and the support of two different instructors was not enough to keep the singing group afloat. Although it began as a first period class, it eventually dwindled down to a 0 period with a small number of students. Lack of involvement of some members resulted in the cancellation of this class at the semester. In spite of this, their songs will last forever and, they will never let the music in their hearts die.

BAND

The musical talent of the students at Gahr is expressed through the Gahr Band. Under the direction of *Kenneth Haar*, students maintained Gahr Pride by participating in many activities. They performed at football games, pep rallies, and local parades. Fund raisers, such as their two spaghetti dinners, bonus book sales, their Christmas tree sales, and the annual Carnival helped to pay for the Band's trip to Hawaii during Easter Vacation. *Mr. Haar* and the band officers all worked together to create a vibrant part of the Gahr Family.

This group of students had an interesting year by inventing new games on the computers at school, playing chess, and sponsoring the Computer Booth at the Carnival. They planned new strategy for different games on the computers and had a great year.

This group was very successful in raising money this year. They had many activities and fund-raisers such as the food booth at the Carnival, the Asian Club Dinner, raffle ticket sales, and a paper drive. Also on the agenda was a trip to San Francisco, a dinner cruz, and their yearly banquet. The various activities brought the members closer together, and made the year go by.

One of the most popular clubs on campus is the Spanish Club. The members participated in the various activities for several reasons. Primarily they wanted to have fun. They started out with their annual Tasting Party enjoying food of many different cultures. Spanish Club members also enjoyed building a Homecoming float which won the Sweepstakes Award. The Spanish Club also gave scholarships to Seniors who were active members or outstanding students. Money for this was raised through the club's candy sale and a booth at the Carnival. Spanish Club ended a successful year with a banquet at "El Torito" in Long Beach.

This group of students had a fun year by making friends and participating in different activities. They had an M & M candy sale and also during lunch time they had a cheese tasting party.

Going to Disneyland created enjoyment for the whole group. Their end of the year banquet was held at "La Vi En Rose", a French restaurant in Brea. This year these students stuck together and had an enjoyable year.

Although membership was small, there was just no stopping the beat in Dance Evolution. Members were cozy and enjoyed several pot luck lunch gatherings. Raising money through a Snickers candy sale and car wash were worth all the effort as the May 7th Dance got swinging. This dance was the climax of a year's worth of planning and dreaming . . . Dance Evolution Style!

KOREAN CLUB

Even though this club was brand new on campus, it was determined to become known. They had a Tic-Tac-Toe booth at the Carnival, which was fun for all who were involved. Also another fund-raiser that they had was a car wash. Having fun brought this club closer together and helped in making friends on campus.

The members of Dance Team revealed their special talents and abilities in the art of dance. With the help of Ms. Tsuruta, these devoted dancers practiced hard to strive for perfection. The girls of the Dance Team performed at State Competition. They had a cook book sale near the end of the year. These talented girls displayed their skills at their successful Dance Show and also at the Variety Show.

FBLA President, *Clayton Alvarenga*, felt 1981 was a prosperous year for the Business Club. Candy apples and Reese's sales along with a Carnival booth gave the club a good financial backbone. Other activities included an awards banquet, Christmas party, barbecue, and presentation of the "Golden Apple Award" to *Dr. Rants*.

The Home Economics Club sponsored many mouth-watering sales and activities. When the weather was cold, they sold creamy hot chocolate, and when the going got hot there was ice cream to cool everyone off. Selected teachers were treated to a spe-

cial Thanksgiving Day Banquet with all the trimmings. The Christmas spirit was felt at the Pizza party and gift exchange gathering. In spite of the busy schedule, Home Ec. members managed to sell popcorn balls and Weepuls.

CADETS

Cadets are a unique group of young students. They are trained in military exercises by advisor, *Mr. Polley*. Participating in the Artesia Parade, helping as guards at football games, sponsoring the canned food drive with the Media Guild were the activities that they experienced. The goal of the Cadets is to gain respect of fellow members and to work together as a unit.

Keeping us informed on school activities, the Forum Staff worked hard and long hours to create an educational and entertaining school newspaper. With investigative reporting, staff members produced informative and interesting new articles. Under the leadership of *Mario Baca*, students strived to create a new look for the Forum newspaper by providing a new logo, "Protecting honor and fighting for Truth." The Forum Staff tried to involve students by making them aware of events on and off campus.

This masterpiece is the result of a combination of ingredients. If you wanted to create a book similar to this, all you would have to go through is . . . 3 dozen pencils . . . 5 typewriters . . . 7 crop-pers . . . 2 dozen rulers . . . 3 bottles of liquid paper . . . 3 grease pencils . . . gallons of soda pop and coffee . . . cheese burgers and french fries from MacDonald's . . . chocolate chip malts and taquitos from Tastee Freeze . . . Mrs. Robertson's casserole . . . 2 late night evictions . . . 1 injured finger . . . 1 broken leg . . . one 40th birthday party . . . one Hawaii trip . . . lost negatives and pictures . . . two newsletters . . . and one hysterical advisor. To our surprise we discovered there is no magic potion to creating a yearbook — only hardwork. You may not like our masterpiece (Magnum Opus), but we gave it our all, everything we had. In the end we have a very special book which contains experiences and moments. Maybe these experiences were good, maybe they were bad. There is one thing for sure, we now not only have a book, but a sense of responsibility and devotion. Was it worth all the headaches and heartaches? We know the answer, but read this book and you be the judge.

PEOPLE

Idisinga

To the students of Gahr High School:

This year of 1980-81 will always be remembered as a very special one in my life. The most vivid memory will be the demonstration of love and support in my behalf by the Gahr community of students, parents and staff. Never have large special interest groups shown such restraint, class and sincerity as was displayed on February 2, 1981.

The school year has been a tribute to a mature student body enduring the hardship of living around a year of construction. Our academic, activity and athletic programs have equalled or surpassed the outstanding previous records. The class of 1981 has shown a special kind of understanding by accepting the necessary move and slow construction of Senior Square. It is an honor for me to graduate with them.

Gahr tradition and pride is so strong that there is no question in my mind that our school will continue to be a leader. Your new principal is much impressed with our past and enthusiastic about your future.

You all have my undying gratitude and love for all you have done for me.

Gratefully and lovingly,
Hanford Rants

Physical Education is a Gladiator strong hold. Although PE is a state requirement for Freshmen and Sophomores, it continues to be one of the more popular choices for classes. Several faculty members encourage fitness by "Practicing what they preach." These teachers show us that besides the entertaining and self-fulfilling aspect of exercising, there's the mental training that is extremely important to our future. Through exercise we learn endurance, and the will to be the best. Most of all we learn to be good sports, a highly valued quality in our competitive society. There is a definite relation between physical fitness and mental fitness. Our excellence as a scholastic group at Gahr may be a reflection of much self-discipline.

IDLE HANDS ARE THE DEVIL'S WORKSHOP

ART HATH AN ENEMY CALLED IGNORANCE

Since the time we create our first fingerprint masterpiece in elementary school, we're exposed to the beautiful world of art. Our Fine Arts Department has managed to offer a variety of enrichment courses to add spice to our lives. Although others may feel the arts are just for fun and sometimes even a waste, the world needs art and enjoys its pleasures every day. There is also a practical side to the finer arts, we constantly make decisions like which color looks best, how to decorate our homes and what clothes look right on us. With art classes offered at Gahr we can sharpen our minds to the beauty around us.

In a materialistic world, we get caught up in what we have and what we would like to have. One thing many people seem to not take advantage of is the opportunity to educate the gray matter. Brains are filled with memories, plans and fantasies. The basics such as reading, writing and arithmetic are required courses for every student, and counselors

urge everyone to hoard *knowledge* (that's the stuff that no one can take from you). The best way to exercise this amazing muscle is to open books and study. Books are the refrigerators for the knowledge we nourish our minds with. The key is to *study* because you'll never run out of room in your brain.

THE SHOW MUST GO ON

An audience seldom hears of the endless hours of rehearsal required in a performance. Our Performing Arts Department has consistently brought us the finest entertainment in the years past. Any group which rehearses and then presents their talents to an audience is a performing department. This includes band, drama classes, choral groups, and some dance groups at Gahr.

PROMISES . . . PROMISES

The least understood courses offered at Gahr are the leadership training classes. The Student Body elects fellow scholars that they feel would best lead the school towards the goals that everyone would like to see achieved. Sometimes governing a student body can be rough, even impossible, but these elected leaders try to fulfill their promises to the students.

CLASS OF EIGHTY-TWO

The Junior Class was a very busy bunch this year! Every-time we turned around there was a new activity in which to participate. They sponsored the Junior-Jiant-Jog-Walk-Crawl-Anything and Everything-Athon. Then came the rock concert to end all rock concerts — *Super Jam I* which

featured *Secret Sity*, *Sinbad* and *Metro Hotel*. All of the proceeds from their activities went towards financing the 1980-81 Prom — “First Time . . . Best of Times” which was held at the Hollywood Paladium. The “Best of Times” really says it all for the Class of Eighty-Two.

CLASS OF EIGHTY-THREE

The Sophomores were an active class providing activities for themselves and still managing to get a financial head-start on raising money for next year's prom. They added to the Homecoming festivities by selling the usual golden mums. To complete the bouquet and to add to our campus hay fever epidemic, green, white and red carnations were generously bought by students for St. Patrick's and St.

Valentine's Days. Profits added up through the candy and dill pickle sales and a very successful dance. The only time they showed in the red was due to giving away too many prizes at the Carnival. Organizing all of these activities and keeping the records straight were their hard-working advisors, *Mrs. Toni Ware* and *Mrs. Lynn Wirt*.

CLASS OF EIGHTY-FOUR

The Class of '84 learned to live high school life the hard way. Freshmen found they'd eaten their car wash profits after they used faculty towels to dry cars. Their candy sale could have been the year's best, but not enough time was allowed to sell. Since traditional Freshmen activities were lost to other classes, their cabinet had to work on other

ways to raise money. The Aloha Dance ended the year on a good note, being the most successful dance next to the prom. Not all members of the Freshmen Cabinet dedicated themselves to the class, but a few gave it their all to make this year one to learn from.

A TIME FOR REMEMBERING

This yearbook is a Memory Book for Gahr High School. A year's life crammed into a few short pages. The whole story you won't find here, only pieces, but pieces designed to jog a thought, a remembrance.

The book is one to be skimmed now, the pictures are to be enjoyed, laughed at, the time for remembering is not 1981 for the past is still linked with the present. But when the mists of years haze these days, this yearbook will serve as a torch to cut through, to bring back perhaps a good memory, perhaps a bad memory, but always a memory.

ADS & INDEX

The 1980-81 Annual Staff would like to express its appreciation to the number of businessmen and merchants who have shown an interest in Gahr High School and its student body by contributing to our advertising section. Without the continued support of these businesses throughout the years, a yearbook such as this would not be possible. We, as a student body, should patronize these businesses to show that we need their support to make a book like this every year.

CHOICE

Our lives are songs; God writes the words
And we set them to music at pleasure;
And the song grows glad, or sweet
or sad,
As we choose to fashion the measure.

Bill Milne, Buena Park, CA

Tom,

I wish I could of
seen you this summer.
Since we moved
I don't see much
of anyone. I hope you
had a good summer.
And I wish you all
the luck in the
world. Take care.

Love
Kate

Jimmy,
Will you never make me that
crying. I'm really glad I get to know
you. You've been one of my good pals and
I hope we always stay in touch. Call
me sometime or I'll call you and
scream.
(714) 552-2925
Love
Kate
